With the same idea of cultivating a positive mindset, making students feel more confident and polishing their leadership skills as well as soft skills, Talent 100 (T-100) team in collaboration with add-on courses of VPM's R Z SHAH COLLEGE organized a second round of Group Discussion on 24<sup>th</sup> January, 2023.

The talk began at 11:00 a.m. with a welcome speech by Chinmay Desai, a student of TYBCOM where he addressed I/C principal Dr. Kavita Sharma, Vice principal Mrs. Anjaneeka Uday and Dr. Barkha Shamnani, Teacher in-charge Prof. Smita Jadhav and Mrs. Shilpa Jadhav and everyone present over there.

There were three major groups for the group discussion, Group-1, Group-2 and Group-3 with Free Speech in a democracy, Privatization- Transparent administration and Entrepreneurship V/S Jobs as their topics respectively. The discussion began with group-1 keeping their points on why the freedom of speech is a fundamental right and why is it necessary in a democracy like India while the other half spoke about how freedom of speech is a privilege and just because it's our fundamental right doesn't mean one should be taking its advantage. The group came to a conclusion that one should know their limits while putting the fundamental rights in use.

The second group started their discussion with why entrepreneurship is better than a job and how one can enjoy a long-run profit once their startup actually becomes stable while the other half group spoke about how jobs are better than entrepreneurship and why is it more preferable and less-risk taking. The group put forward their points and had a long and healthy discussion over it with the conclusion either of those cannot work without each other. An entrepreneur needs employee for his successful entrepreneurship and an employee needs an entrepreneur to provide him employment.

The last group had a discussion over why there is a need for transparency in privatization, how it actually helps in gaining public interest while the other half talked why transparency should be maintained but at a certain level so it does not disclose the private information about the

Company to the public. They also put forward the context of public companies and how public or government involved companies suffers a loss when they do not priorities their idea of making profit from the public interest.

The discussion moved ahead with Dr. Kavita Sharma appreciating the student's participation. Honourable General Secretary of VPM's RZ SHAH COLLEGE, Adv. Vijay Kulkarni made the discussion a very informative one with his words and thoughts. He explained how this Group Discussion is actually a practice for the students who will be working in corporate sector in future.

Adv. Vijay Kulkarni sir then distributed the badges to the students with a book as a token of appreciation. He also distributed the badges to the Principal, Vice Principals and the teacher's in-charge. The programme concluded with a vote of thanks to everyone present over there.
