

Mentor-Mentee-Parent Interaction Report

Date: 2nd September 2023

Introduction:

On 2nd September 2023, mentor-mentee- parent interaction session was conducted for the first-year students by Students Mentoring Committee.

Objectives:

The primary objectives of the Mentor-Mentee-Parent Interaction Session were as follows:

To establish open lines of communication between mentors, mentees, and parents.

To address concerns and challenges faced by mentees in their academic and personal development.

To provide an opportunity for mentors and parents to discuss the progress and goals of mentees.

To strengthen the mentor-mentee relationship and foster a supportive environment.

The session was structured as follows:

a. Welcome and Introduction:

The session began with a warm welcome and introduction, emphasizing the importance of mentorship and parental involvement in student's growth and success.

b. One-to-One Discussions:

Mentors had individual discussions with both the mentees and their parents. These discussions allowed for personalized attention and addressed specific concerns or queries related to the mentee's academic performance, career aspirations, personal challenges, and overall well-being.

c. Information Form Collection:

An information form was provided to the parents to gather relevant details about their mentees. This form included mentee's personal information, academic background, goals, and any specific areas of concern or interest.

d. Mentee dairy : Mentee's dairies were updated.

Conclusion:

The mentor-mentee-parent interaction on 2nd September, 2023, was a significant step in ensuring the success and well-being of our first-year students. This interaction reflects our commitment to providing holistic support and guidance to our students and maintaining open lines of communication with their parents

We express our gratitude to I/C Principal, all the mentors, mentees, and parents who actively participated in this session, contributing to its success. We look forward to continued collaboration and fruitful mentorship experiences in the future.
